DIRECTIONS TO OFFICE

I have part-time office hours in an office building at Jefferson and (right before) Arsenal. As a litigator I spend most of my work-time drafting motions, pleadings, memorandums, or researching at the law libraries throughout Saint Louis, or, of course, appearing in Court. I hold office hours solely for meetings with clients or conducting depositions and it is by appointment only.

My office is located at: 3002 S Jefferson St
Saint Louis, MO 63118

Once on Jefferson, my office is past the Post Office and Fire Department buildings. It is above the Mattingly Brewery and Restaurant (which is a GREAT place to eat or grab a micro-beer). The entrance is in front of the building in between Mattingly and the Copy Stop. Walk up the stairs and I will be waiting for you in the lobby on the left.

Please call me on my cell phone if you have any problems locating the office: 314-620-1748.
